All organizations begin with a dream; a vision; a hope for a better tomorrow. The successful ones are those that never say die, never give up, until the dream is realized, the vision turns to reality.

Mr. Nikhil Dedhia is an enthusiast and passionate about English. Born and brought up in Mumbai Suburb, Dombivli (the birth place of Sheetal Academy Pvt Ltd) he had a passion for English and started his journey of [learning English](#) thoroughly at the age of 13. Though he pursued Engineering but his passion for English and teaching brought him back to teaching English. After completing BE (instrumentation) he met Mr. Ketan Shah Founder of [Sheetal Academy](#), from who he got inspiration to go for a franchise of Sheetal Academy. But the biggest challenge was to select a destination. Again his fascination and charm for Surat compelled him to come to Surat. As if some super-natural power drove him here, because Mr. Nikhil has never been to Surat earlier except 1 or 2 visits to Bombay textile market and a visit to Dada Bhagwan temple at Kamrej.

But when he decided to put up a center at Surat, he visited Surat in December 2009 and was spellbound by the vigor and progress of the Asia's fastest developing city. He made up his mind immediately and without any second thought selected the city or u can say the city selected him.

Then started the journey of Sheetal Academy Surat. ..
